

MLC-S Sprinkler Pipe & Fittings for Concrete Ceilings

Universal Casting Cup for Sprinklers in Concrete Floors

Installation Cup, Plug, & Cap

Sizes	1" ISO
Tech Data Sheet	Contact Tyco for details

The Installation Cup is used in conjunction with the FSC (Flush Sprinkler for Concrete). ■ The corresponding plug is used for fixing (with nails) the position of the cup. For more information on the usage of the Installation Cup see TFP645. ■ The Installation Cup is re-useable. The plug is also available separately (PN 913131004).
