To Our Valued Customers:

Effective May 13, 2013, list prices for Grinnell Products will be increasing approximately 5.5% on most products. New price books in PDF and Excel format will be available on our websites, www.grinnell.com for our mechanical and fire grooved line of products and www.tyco-fire.com for our fire grooved line of products, by that date.

If you have any questions, please do not hesitate to contact your sales representative. We appreciate your business and look forward to working with you in the future.

Sincerely,

The GRINNELL Product Management Team
