

December 20, 2011

To Our Valued Customers,

We are writing to inform you of a price increase on fire sprinklers, valves, CPVC fittings and related components effective Friday, January 20, 2012. The price increase will average approximately 5% across these product lines. An updated price book will be available by January 13, 2012 on www.tyco-fire.com. The price book can be viewed and downloaded under the "Literature" menu by selecting "Current Price Book". Please place orders by January 16, 2012 to ensure orders are received and entered prior to the increase.

Please contact your local sales representation with any questions regarding this increase.

We are dedicated to working with you to grow your business by providing the most complete and innovative line of fire sprinkler products in the industry. We appreciate your business and we look forward to working with you in the future.

Sincerely,

The Tyco Fire Protection Products Team, Americas
